Tips to boost policy impact through Learning Factories in VET and international cooperation

KEY FINDINGS ON

1. € Funding
2. 📖 Knowledge
3. 🧠 Mindset
4. 🛠️ Support Tools
5. 🌍 Internationalisation

€ Funding #1

**Learning factories need
solid investment in tech
and infrastructure.**

EU Level

Use Erasmus+ and Horizon
Europe to co-finance
implementation.

National/Local Level

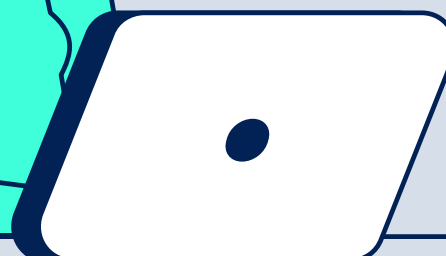

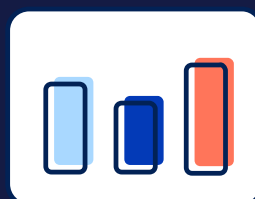

Leverage existing funds to
invest in VET technology
upgrades.

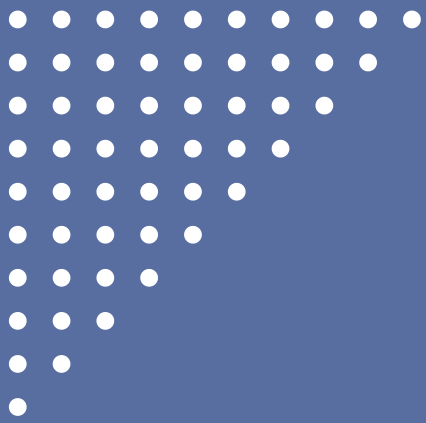

Knowledge #2

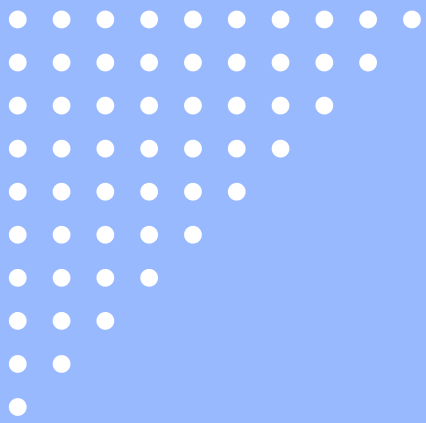

**Equipment matters, but
trained staff make it
meaningful for students.**

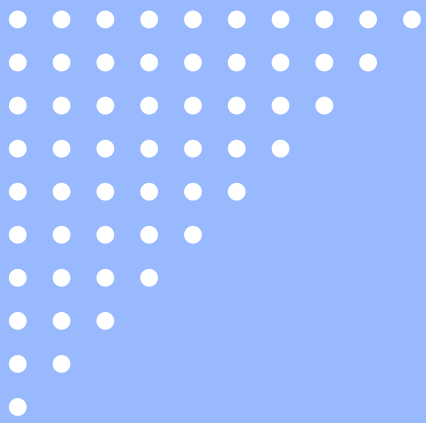

**Support research and
hands-on work on
learning factories to
build and share
knowledge.**

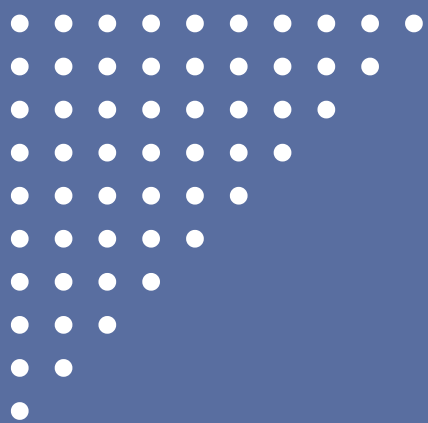

Include Learning Factories in EU research & funding programmes to boost knowledge sharing across Europe.

Create local schemes to support research, testing & knowledge-sharing on Learning Factories.

**Promote learning
factory know-how
through good practices,
case studies & expert
exchanges.**

Mindset #3

**A "learning factory" culture
requires collaboration and
pedagogical shifts.**

• **Promote research on pedagogy for learning factories in VET.**

🔍 Study how to adapt learning factory methods to regional VET systems

🧠 Support mindset-building & pedagogical innovation

📢 Share best practices in teaching approaches

Support Tools #4

With skilled staff and the right funding, tools become powerful enablers for successful learning factories.

Encourage VET providers to use LCAMP tools.

-  Leverage available resources on the LCAMP platform
-  Support the effective implementation of learning factories
-  Enhance teaching and training practices

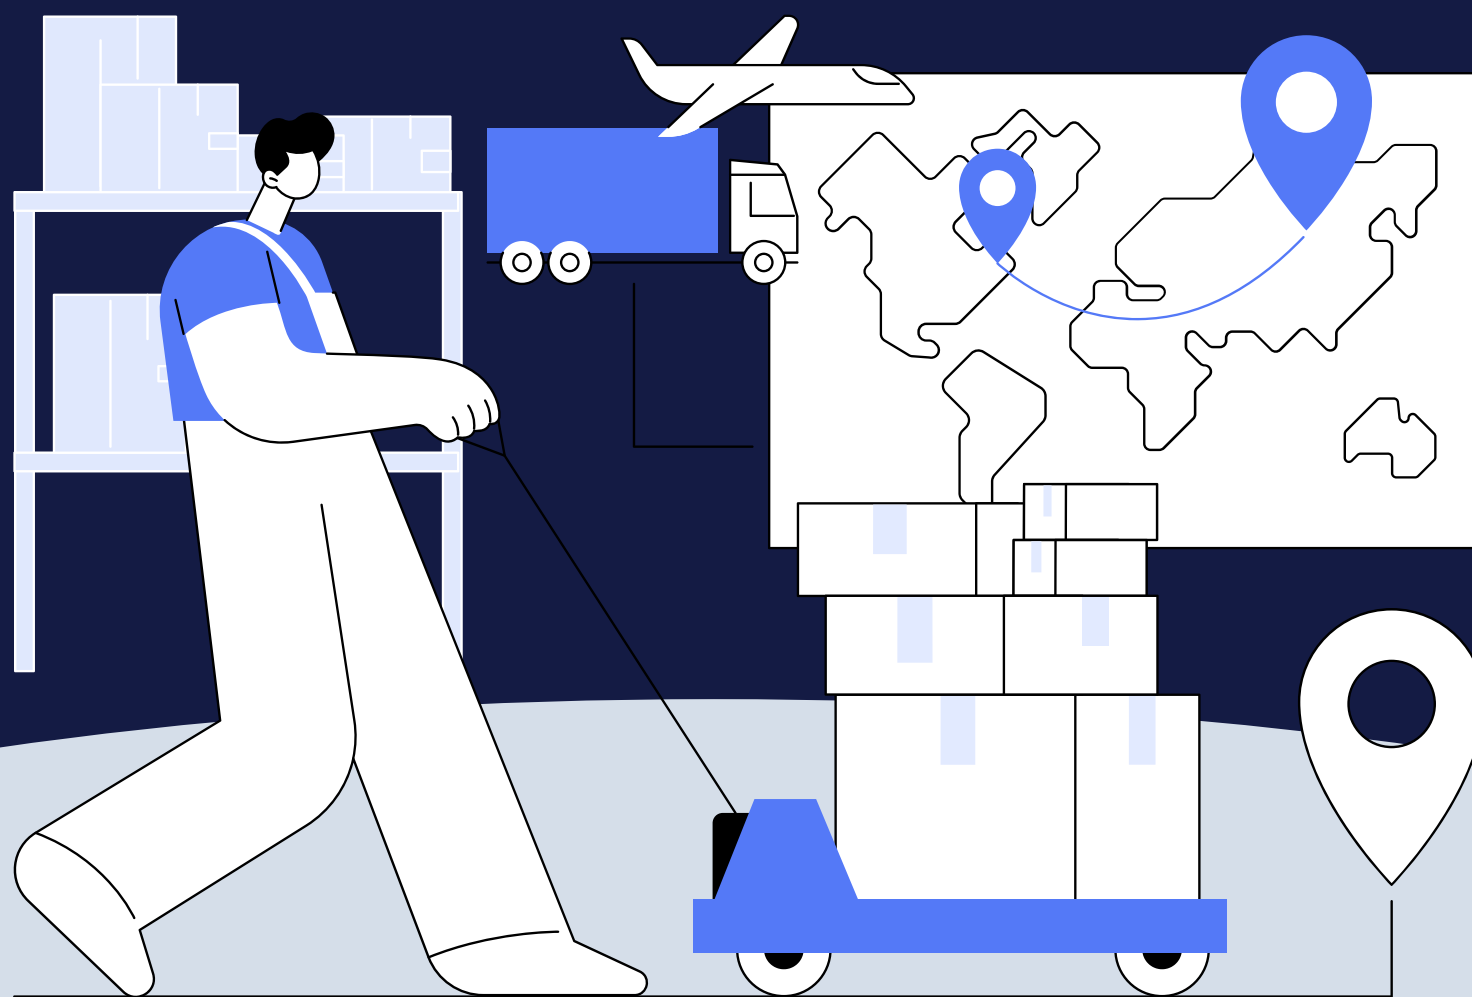

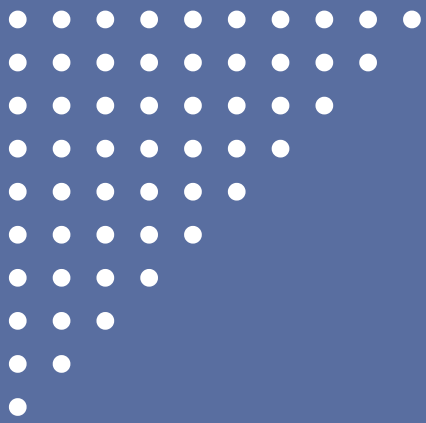

Internationalisation

#5
